

June 1, 2020 Update

To Anacortes Marina E-Dock outside slip Tenants:

Replacement of docks and breakwater wall at the Marina is planned to continue this Fall as scheduled. For October 2020 we plan to replace all outside slips on E dock, continue replacement of all gangways and replace additional sections of the East breakwater wall. We plan for construction to last 4 weeks beginning October 1st so **vessel owners will need to remove their boat from E dock by September 30th**. As the Marina is full, you will need to investigate alternative moorage options at other marinas and boat yards. **Dock boxes will be removed for refurbishing. Please remove the contents of your dock box before an August 1st pickup.** Below are some options you may consider for alternate storage or maintenance;

Cap Sante Marina: Space at the Port will be limited this year as they plan to replace their A dock and a smaller dock beginning November 1st. They will be using their normally vacant Winter spaces for their displaced vessels. If you want to be considered for moorage at Cap Sante during the construction, review the Port requirements and cost information below and then contact the Port to make a reservation. **However, due to construction planning, the Port will not take reservations before September 1st. Call (360) 293-0694.**

1. Complete a Cap Sante Marina Application and Winter Moorage Agreement.
2. Provide a copy of your Vessel insurance with Cap Sante listed as Named Insured.
3. Complete the required Washington Revenue and abandoned vessel information sheet.
4. The monthly rate for vessels up to 30' \$303.25, up to 32' \$349.33, up to 40' \$469.02.
5. Plus \$3 environmental fee, plus \$12 for 1st 100kwh and .12 per kwh over 100.
6. Summer transient rates \$1.53 per foot, per day, will apply for early days in September.
7. Winter transient rates \$.97 per foot, per day, will apply for extra days in November.

Boat Yard Alternatives:

North Harbor Diesel boatyard is offering a package plan again this year.

Haul and launch, normal pressure wash and October storage: 30' to 40' vessels \$675 plus electric.

Vessels hauled in September/launched in November will not incur additional costs for shortest storage.

Vessel owners who contract with the yard for work to be done in excess of \$1,000 will have the storage portion of these costs waived. **If interested, contact North Harbor Diesel for a reservation. Storage spots with power are limited and therefore available on a *first come first serve* basis. Call now. (360) 293-5551.**
